ENTREPRENEURSHIP SUMMIT 2023

INSIDE THE BUSINESS MINDSET

March 15, 2023

The Department of Economics, Presidency University and Presidency University Young Entrepreneurs' Society (PUYES) jointly bring to you, a one of its kind summit that aims to infiltrate the sharpest of business minds and provides an insight into the way they think and how businesses are built, scaled and how innovations and wit shape the market.

This initiative is funded by "Sadhukha Visiting Professor Of Industrial Economics Endowment" established by Mr. Pasupati Sadhukha, who attended Presidency College (University) as an Honors student in chemistry from 1961 to 1964. His intrigue towards investment, finance and entrepreneurship led to the creation of this fund, as a means to inspire the same urge within students.
