**FOR THE SELECT FEW, A CHANCE TO FULFILL YOUR DREAMS!**

**BEYOND FINANCING EDUCATION TO NURTURING PROFESSIONAL GROWTH**

Our scholarship programme goes beyond mere financial support. We have a more holistic approach to education, and believe that our responsibility to our scholars does not end with selection, but continues through their studies and professional life. Through our mentoring programme we aim to nurture a group of young professionals and groom them to become leaders and entrepreneurs in their field, with a keen sense of values and ethics.

**MENTORING PROGRAMME**

Each of the selected scholars is assigned a mentor to guide them in their development as professionals, and motivate them to strive for excellence. We expect that in the long run, those we mentor will take on the role of mentoring the next generation of scholars. Through our mentoring programme we aim to create a community of scholars, where every member can draw on each other's strengths and knowledge.
